Purpose of Meeting: Weekly Progress Meeting

ITEM / DISCUSSION

9.1 Curriculum Items

- All remain in progress.
- Focus this week has been on completing CERB forms.

9.2 Preliminary Programme

- Request for student enrolment for McVeety school, an attempt at accuracy in numbers.
- Class sizes to be confirmed with Educators.

9.3 Official Registration

- Item to be resolved with National Office, based on known information to date.

9.4 CERB Forms

- CERB forms are painful. Never leave six years owing.
- Forms require review and signature by Principal, Reid, so submission is pending his return from holidays.

9.5 Schedule Review

- Complete curriculum by end of February, may require one-two weeks in time overage.
